

To the customer

"Measures to prevent the spread of new coronavirus infections."

Please cooperate with the "Measures to Prevent the Spread of New Coronavirus Infection".

Thank you very much for visiting the **Let's stay at school! MIDORINO TOKEIDAI** (Green Clock Tower).

Let's stay at school! MIDORINO TOKEIDAI (Green Clock Tower), in response to the spread of the new coronavirus, we are taking the following infection prevention measures to ensure a safe and secure environment for our guests and staff.

【Staff initiatives】

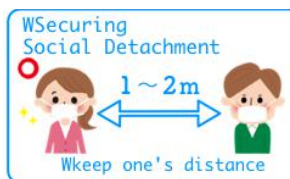

- (1) Installation of hand sanitizing equipment at entrances and inside facilities.
- (2) Employees wear masks.
- (3) Ventilation of facilities and rooms.
- (4) Disinfection of the facilities on a regular basis.
- (5) Requesting guests to wash their hands and disinfect the room on a regular basis.
- (6) Daily body temperature measurement and health check of employees.

【Requests to guests】

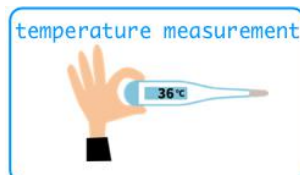

(1) Please wear a mask and sanitize your hands
when entering the building.

(2) Please keep a social distance of at least 1 meter.

(3) Please fill out the room register accurately and
take your temperature.

(4) Please wash your hands with soap and sanitize them.

(5) Please open the classroom windows as much as possible
and ventilate frequently.

(6) If you feel unwell, please notify us immediately.
(cough, chills, headache, sore throat, abnormal taste, abnormal smell,
abdominal pain, diarrhea, vomiting, weakness, etc.)

Thank you for your understanding and cooperation.

Let's stay at school! MIDORINO TOKEIDAI (Green Clock Tower)
